

POWERING THE FUTURE, TODAY. HARNESSING POWER, ENHANCING LIVES.

Design Flexibility

Sealed Lead Acid batteries may be used in series and/or parallel to obtain choice of voltage and capacity.

Key Features

Ensure Power, Quality And Warranty.
Long Life Separator & Recycling.
Compact Design

POWER BATTERY

We made a prominent mark for itself in the Battery industry in the last 33 years. The company is known as one of the eminent Battery Products Exporters and Suppliers from Maharashtra, India.

INVERTER & SOLAR

SOLAR TUBULAR LEAD ACID BATTERY

C10 Batteries

Long shelf life when left unattended for extended periods.

Pasted Negative Plates.

Tubular Positive Plates.

Acid Resistant Polyester Gauntlets.

High Porosity Envelope Separators.

Micro porous Ceramic Vent Plug.

Tubular Batteries

Electrolyte level indicator

High Acid volume per ampere hour

Deep cycle design

Common sight venting

IEC 60896-11 or equivalent

Address

Nagar Road, Sangamner,
Maharashtra. Pin-422605
